

Staff Nurse Job Description

Objectives:

To reach out to women who are experiencing, or at-risk for an unplanned pregnancy with the mercy and compassion of Jesus Christ by offering emotional, spiritual, and practical support in both word and action, primarily through assisting with medical services under the direction of the Director of Health Services and Medical Director.

Reports to:

Director of Health Services, or Center Director in Director of Health Services' absence.

Qualifications:

1. Be a committed Christian who demonstrates a personal relationship with Jesus Christ as Lord and Savior. (John 3:16; Matthew 7:16&20)
2. A regular attender/member in good standing of a local, Bible-believing church. (Acts 2:42-47; Hebrews 10:24-25)
3. Exhibit strong commitment and dedication to the sanctity of human life and sexual activity within the confines of marriage. (Genesis 1:27; Psalm 139:13-16; I Cor. 6:18-20)
4. Full agreement with and willingness to uphold the Statements of Faith & Principle and all policies of First Choice.
5. Dependable, stable and capable of following through on commitments.
6. Possess a sincere desire to reach out with the love of Jesus to abortion-vulnerable women and at-risk sexually active women.
7. Ability to respect confidentiality.
8. Proficiency in Microsoft Office applications and basic computer operations.
9. Completion of First Choice's volunteer training seminar.
10. For all who have experienced an abortion, completion of PACE and approval to serve clients by PACE Coordinator.
11. Hold a current Registered Nurse's license and be in good standing with the State Medical Board.
12. Current CPR/BLS certification.
13. Proof of most recent TB test, MMR and HBV vaccine.
14. Completion of Limited Obstetrical Ultrasound Training.
15. English Language - Knowledge of the structure and content of the English language including the meaning and spelling of words, rules of composition, and grammar.
16. Clerical - Knowledge of administrative and clerical procedures and systems such as word processing, managing files and records, and other office procedures and terminology.
17. Computers and Electronics - Knowledge of computer hardware and software, including applications.

Skills:

Basic Skills

1. **Active Learning** - Understanding the implications of new information for both current and future problem-solving and decision-making.
2. **Active Listening** - Giving full attention to what other people are saying, taking time to understand the points being made, asking questions as appropriate, and not interrupting at inappropriate times.
3. **Critical Thinking** - Using logic and reasoning to identify the strengths and weaknesses of alternative solutions, conclusions or approaches to problems.
4. **Learning Strategies** - Selecting and using training/instructional methods and procedures appropriate for the situation when learning or teaching new things.
5. **Monitoring** - Monitoring/assessing performance of yourself, other individuals, or organizations to make improvements or take corrective action.
6. **Reading Comprehension** - Understanding written sentences and paragraphs in work-related documents.
7. **Speaking** - Talking to others to convey information effectively.

Social Skills

1. **Coordination** - Adjusting actions in relation to others' actions.
2. **Instructing** - Teaching others how to do something.
3. **Service Orientation** - Actively looking for ways to help people.
4. **Social Perceptiveness** – Being aware of others' reactions and understanding why they react as they do.

Technical Skills

1. **Operation Monitoring** - Watching dials or other indicators to make sure a machine is working properly.

Resource Management Skills

1. **Time Management** - Managing one's own time and time appointments with clients.

Desktop Computer Skills

1. **Navigation** - Using scroll bars, a mouse, and dialog boxes to work within the computer's operating system. Being able to access and switch between applications and files of interest.

Responsibilities:

1. To provide ultrasound exams, STI screens and appropriate medical recommendations for each client in an atmosphere of warmth and compassion.
2. To provide accurate information and education on adoption, abortion, prenatal care and sexual health.
3. To follow all policies and procedures regarding ultrasound, STD screens, counseling, helpline, and office flow-through.
4. To offer counsel, material resources and referrals appropriate to a clients' situation.
5. To look for teachable moments with a client in order to share the love of Jesus and His plan of salvation.
6. To appropriately follow-up with clients according to the policies and guidelines of the Center.
7. In scans, identify all markers of a viable pregnancy (i.e. heartbeat, crown rump length and gestational sac).

8. In STI screens, provide intake procedures, sample collection and processing, appropriate counseling based on results, follow up and discharge procedures and state required STD reporting.

Work Context:

Body Positioning
